

## Shula's Steak House

My dad's goal was to build the best steak house in Miami, which became one of the top ten steak houses in America. The restaurant is themed after the 1972 Miami Dolphins' "Perfect Season" - the only team in NFL history to finish a season undefeated. The menus are hand painted on an official NFL game football. At Shula's Steak Houses, one of the featured entrees is the 48-Ounce Porterhouse. Those who finish it join Shula's 48-Ounce Club, which currently has more than 17,000 members. I invite you to experience Shula's Steak House, where we only offer the biggest and the best.
